To Whom It May Concern:

I am writing this letter to confidently recommend **Oleksandr Leontovych** for future employment opportunities. Having had the pleasure of working with him for 1.5 years as his Team Lead at Perion Networks, I have been consistently impressed with his professionalism, drive, and dedication to excellence.

He joined our team as a Junior Creative Developer, and from the outset, he displayed a remarkable aptitude for technical development and problem-solving. He has a proven track record for delivering exceptional results on time and to the highest standard. For instance, he effectively utilized technologies such as HTML, CSS, JavaScript, GSAP, Pixi.js, and Phaser.js to deliver over 500 creatives, demonstrating his ability to innovate and adapt in a fast-paced environment.

Beyond his technical skills and professional competency, he is a remarkable team player with excellent communication skills. He consistently builds strong relationships with his colleagues, fostering a collaborative and positive environment. His strong time management and adaptability have significantly contributed to the success of our projects and team dynamics.

Without hesitation, I recommend Oleksandr for any opportunity he chooses to pursue. I am confident that he will bring the same level of dedication, skill, and positive attitude to any organization as he did in ours. He will be a valuable asset to any team.

Please do not hesitate to contact me if you require any further information.

Sincerely,

Nikita Kutsenko
